Leadership Update:
2004-2005 Section Moderator:
K.C. Elhard, Humanities Cataloger, University of Illinois at Urbana-Champaign.

2004-2005 Vice-Moderator:
Zimra Panitz, Technical Services/Systems Librarian, School of Visual Arts.

Update column editor:
Elizabeth Lilker, Cataloger, New York University Libraries.

Webpage editor:
Kay Teel, Serials Catalog Librarian and Cataloger for the Arts, Stanford University Libraries & Academic Information Resources.

At the 2005 Annual Meeting in Houston, we will elect a Vice-Moderator for 2005-2006, and Zimra Panitz will become the Moderator of the Section. (Zimra Panitz served as Vice-Moderator in 2003-2004 and was to become Moderator for 2004-2005. K.C. Elhard was to succeed her as Vice-Moderator for 2004-2005 and become Moderator for 2005-2006. However, Zimra knew she would be unable to attend the 2005 Annual Meeting in Houston, and so she was renamed Vice-Moderator for a second year. K.C. was immediately promoted to Moderator for 2004-2005.)

Report:
Ann Copeland moderated the 2004 Annual Meeting in New York. The meeting included two short presentations, each followed by a period of Q&A and general discussion. Kay Teel discussed the "Stanford model" for cataloging workflow, a model that has been of significant interest to academic libraries. K.C. Elhard gave a presentation about the "Digital Emblematica" project at the University of Illinois at Urbana-Champaign. This emblem book digitization project treats the book as a basic unit of description while also providing emblem-level metadata.
The Cataloging Section will meet on Sunday, April 3, 3:30-5:00 at the 2005 Annual Meeting in Houston. Our agenda in Houston will consist of at least three short presentations followed by topical discussions. Kay Teel, the incoming chair of the ARLIS/NA Cataloging Advisory Committee, will give an update on the CAC’s activities and an overview of AACR3. Sherman Clarke will provide an overview of the changes in the SACO program and the suggestions from the SAC Buildings Task Force.
