Report:

The annual meeting in Houston had 16 members in attendance. During this meeting, topics discussed included the logistics of planning an expansion or new building, moving a library, resources consulted; also participants were able to share their knowledge of new and upcoming publications. The website of the Round Table is still seeking a home, part of the problem may be that the membership of the Round Table is temporal. Once the space planning is resolved in members’ institutions, the need to remain in the group becomes moot.

SPRT is working on putting together a list of bibliographical resources on different topics relating to new libraries and expansions. The group who will be compiling this list consists of the previous SPRT moderator, Alba Fernandez-Keys, and the following colleagues: Karen Bucky, Kristen Regina, and Alyssa Resnick. SPRT also has the ambition to put together additional resources so that those who are in the initial and ongoing stages of planning for new or expanding spaces can come to SPRT as a starting point.

There are no issues for the Executive Board at this time.
