The chapter discussed website options and planned to coordinate the redesign and new URL
with the outreach brochures in time for St. Kate’s Community Night, where the Chapter
would have a table and meet with library students. The timing of this would allow us to
advertise the 2011 conference and options for students to get involved. Rebecca Moss had
set up the Chapter Facebook page and encouraged us to join the group, because if enough
members joined, we would be allowed a vanity URL that would work well on the brochures.
The ARLIS/NA Twin Cities Chapter planned to host the VRA Midwest chapter for the Fall, so
timing and options were discussed.
