**Membership**

The chapter ended the year with 60 members.

**Finances**

The chapter ended the year with $1,657 in the treasury.

**Dues and other Business**

One of the executive board’s goals for this year was to experiment with charging for some of our events, in order to replenish our dwindling coffers so that we may continue to offer travel awards and contribute funds to the 2013 ARLIS/NA conference. We were pleased that we did not see a decrease in attendance at events with registration charges. Fees were kept at a minimum: usually $5.00 ARLIS/SC Member/Student Member and $10 Non-member/Guest. Nevertheless, at our business meeting in October we voted to increase our chapter dues from $15 to $20/year, effective on January 1, 2013.
