- Leadership Update (incoming officers names and roles): A new coordinator for the group will be selected at our annual meeting, as per the ARLIS/NA bylaws.

- Membership (current and incoming members): As of February 19 2019, 200 ARLIS/NA members expressed interest in the DH SIG.

- Activities during the past year:
  - Sharing news and opportunities via the dh-sig listserv, our Twitter account, and our blog
  - Maintaining and expanding the Resources section of our website, which includes links to reading lists, degree & certificate programs, and conferences & opportunities
  - Supporting members who have an interest in submitting DH-related conference session proposals, and facilitating conversation around potential conference sessions
  - Supporting the development of a Digital Art History Directory (awaiting direction from project leaders)

- Ongoing projects: All activities listed above are ongoing.

- Preliminary goals for next year:
  The main goal of the DH SIG is to provide interested members the opportunity to engage in discussion and stay informed of new advances in the realm of digital humanities, particularly as they relate to art librarianship and related fields. Further goals will be discussed at our annual meeting.

- Articulate how your activities, projects and goals relate to the ARLIS/NA Strategic Directions:
  Our main goal relates primarily to the following ARLIS/NA Strategic Directions:
  - Innovation & Technology
  - Art Information Professionals (supporting our evolving roles)
  - Organizational Advancement (membership engagement)
