Date: March 9, 2020

• Leadership Update (incoming officers names and roles): Miki Bulos accepted the coordinator position at the NOLA 2017 conference.

• Membership (current and incoming members): 85 ARLIS/NA members have expressed interest

• Activities during the past year: Due to personal reasons, the coordinator could not attend the SLC 2019 conference and because it was too late to find a replacement, the annual meeting had to be cancelled. Since that conference, the following has been accomplished: 1) a listserv was established; 2) an introductory message was sent to all interested members and to ARLIS-L; and 3) a space planning draft resource list/toolkit was begun and shared with interested members.

• Ongoing projects: A space planning resource list/toolkit we hope to eventually share with the wider organization.

• Preliminary goals for next year: continue with the space planning resource list and decide what format to use in order to be able to share with the wider organization; consider sponsoring a session for 2020, or hosting guest speakers for the SIG’s annual meeting; and consider starting a blog.

• Articulate how your activities, projects and goals relate to the ARLIS/NA Strategic Directions:

• Other (please share anything else you want the membership to know about your group or your role):
